

## The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

**DR. PIERCE'S GOLDEN MEDICAL DISCOVERY** makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

### SUMMONS.

In the Circuit Court of the State of Oregon for Umatilla County.  
Mary A. Wright, Plaintiff,  
vs.  
Henry I. Wright, Defendant.

To Henry I. Wright, the above named defendant: You are hereby notified and required to appear and answer the complaint of the plaintiff filed against you in the above entitled suit and court within six weeks from the date of the first publication of this summons, which said first publication is made on Friday, the 27th day of August, A. D. 1909. And you will take notice that if you fail to so appear and answer the said complaint, or otherwise plead thereto, within said time, the plaintiff for want thereof will apply to the court for the relief prayed for and demanded in her said complaint; to-wit, for a decree of the court dissolving the bonds of matrimony now and heretofore existing between plaintiff and defendant and granting to plaintiff an absolute divorce; and for other equitable relief.

This summons is published pursuant to an order of Hon. H. J. Bean, Circuit Judge of the Sixth Judicial District of the State of Oregon, duly made and entered on the 25th day of August, A. D. 1909.

## FOR THE HOUSEWIFE

### How to Make Vinegar.

Fourteen pounds of dark brown sugar, ten gallons of soft water, two yeast cakes dissolved in one cupful of warm water and two slices of toasted bread. Boil sugar in one-third of the water and skim. Remove from the fire, add cold water, strain into a keg and stir with a stick every day for a week. Then tack a gauze over top of keg. Put in a warm place for six months, when it is ready for use. A good time to start it is in May, and it will be ready for use by November. This is a tested recipe.

### Orange Marmalade.

Wash and dry nine oranges and three lemons. Cut into quarters all the oranges and one lemon, then slice crosswise very thinly, rind and all, with sharp knife. Strain juice from the other lemons. Weigh and to each pound of fruit add one quart of water and let stand overnight. In the morning boil fifteen minutes. Let stand until next morning. Weigh and add one pound granulated sugar to each pound of juice and fruit. Boil rapidly about twenty minutes from time it begins to boil. Pour into glasses.

### Maple Sugar Frosting.

Boil one cup of maple sugar and one-third of a cup of water until it boils, then pour very slowly over the beaten white of one egg, stirring the egg constantly, then beat with spoon until hard enough to spread. If it seems to stiff add a little cold water and one-half cupful of buttermilk, or walnut meats added is an improvement to those fond of nuts.

### Brown Spots on Face.

Brown spots on the face are often very hard to get rid of. This formula has been very effective in many cases: One ounce elderflower water, twenty grains of sulphide of zinc. Mix and rub into the spots at night. In the morning wash off with hot water and apply this lotion: Eight ounces of rose-water, thirty grains citric acid.—Philadelphia Press.

### To Shell Pecans.

It is difficult to remove pecan meats from the shells without breaking them, as most housewives know, and the ready to use kind are expensive and not always obtainable in small towns. Soaking the pecans overnight will solve the problem. The shells soften and the meats come out of the shell whole without the least trouble.

### Simple Test For Eggs.

Placed in the water an egg, if fresh, will remain resting at the bottom of the vessel. If not quite fresh, it will rest with the big end raised higher than the small end, and the higher the big end is raised the older is the egg. As an egg gets older the water con-

trained in the white evaporates, and this causes the empty space at the thick end of the egg to become enlarged. The larger that empty space becomes the more the egg rises in the water till in course of time it floats.

### To Prevent Moist Hands.

When doing plain sewing if you have a little flour in a saucer and dip your fingers in occasionally the hands will be kept free from damp, and the work will be beautifully clean on the hottest day without washing so often, as many people do.

### To Restore Faded Ribbons.

By adding a little pearlash to a soap lather faded ribbons placed in it will be restored to their natural color. Faded breadths of silk can be restored if treated in the same manner.

### When Cooking Peas.

Do not shell them. Wash the pods and put them on to boil. When they are done the pods will break and rise to the top of the kettle, leaving the peas at the bottom. They have a better flavor cooked this way.

### Cooking Old Potatoes.

If old potatoes turn black when cooked add a little vinegar to the water when you put them on to boil, and they will be nice and white when cooked.

### To Brighten the Carpet.

To finish up the sweeping dip the broom in ammonia water and go over carpets the last thing. This restores the color and makes cleaner floors.

### Washing Madras Curtains.

Madras curtains or others that are too old or fine to wash in the regular way may be put into a pillowcase and washed without fear of tearing.
